

The logo is centered on a white background. The word "VISTA" is written in a large, bold, orange sans-serif font. A small black square is positioned above the dot of the letter "I". To the right of "VISTA" is a small "TM" trademark symbol. Below "VISTA" is a thin horizontal black line. Underneath the line, the word "AUTOCARE" is written in a smaller, black, all-caps sans-serif font with wide letter spacing. The entire logo is framed by a stylized, metallic-looking border that resembles the interior of a car, with four main sections meeting at the corners, each showing a perspective view of a car's interior structure.
